---

FRONTEND DEVELOPER

Frontend Developer with hands-on experience building responsive, user-focused web applications. Strong foundation in JavaScript, React, and modern UI/UX principles. Seeking an entry-level role focused on clean, accessible interfaces.

TECHNICAL SKILLS

Languages: HTML5, CSS3, JavaScript (ES6+), Python, SQL
Frameworks & Libraries: React, Bootstrap, Tailwind CSS
Tools: GitHub, VS Code, Chrome DevTools, Figma, REST APIs
Core Competencies: Responsive design, accessibility, debugging, UI/UX fundamentals

PROJECTS

Personal Portfolio Website

Built a responsive portfolio using HTML, CSS, and JavaScript. Applied reusable components, clean layouts, and accessibility best practices.

Dashboard Web Application (Bootcamp Capstone)

Developed a React-based dashboard using component-based architecture and state management. Integrated mock APIs to render dynamic data.

E-Commerce Product Page

Created an interactive product page with image gallery and add-to-cart functionality. Implemented form validation and dynamic UI behavior using JavaScript.

PROFESSIONAL EXPERIENCE

Caregiver — Hartsel, CO | June 2025 – Present

Provide personalized support while maintaining accurate documentation. Communicate clearly with client and family, reinforcing user-centered thinking. Manage time and responsibilities independently.

Independent Contractor — Gem State Staffing & Elwood Staffing | 2024

Adapted quickly to new environments while delivering consistent, reliable work. Performed accuracy-focused tasks in fast-paced settings. Strengthened collaboration, accountability, and problem-solving skills.

Uber Technologies Inc. — Driver / Contractor — Boise, ID | 2021 – 2024

Delivered safe, efficient service while maintaining strong customer communication.

PeopleReady — Independent Contractor — Meridian, ID | 2023 – 2024

Completed diverse short-term roles requiring flexibility and teamwork.

Amazon — Fulfillment Center Associate — Nampa, ID | 2021

Maintained accuracy and efficiency in a high-volume, deadline-driven environment.

EDUCATION

Frontend Simplified Institute — Program Completed

Frontend development, responsive web design, JavaScript, modern frameworks.

Bachelor's Degree in Psychology — Trinity International University, Deerfield, IL

SOFT SKILLS

Communication · Adaptability · Problem-Solving · Organization · Time Management · Team Collaboration
